BRITISH BACK FROM DARING TRIP

Returns From Petrograd Be-
lieving City Will Not
Fall This Winter.

HELSINKI, Oct. 23. (By the As-
sociated Press.)—Lieut.-Col. Leistrang
Mahone, a liberal member of the British
house of commons, has returned after
a daring unofficial visit to Petrograd.
He told friends here that he was con-
vinced after an investigation of the
political and military situation of Ru-
ssia that it is improbable that Petrograd
will fall this winter. He said that re-
ports of disunion among the Bolsheviks
were untrue and that Lenin and
Trotsky appeared to be working in co-
operation.

MORE THAN 30 NATIONS TAKE PART IN MEETING

WASHINGTON, Oct. 23.—More than
30 nations are represented here today
for the opening of the international in-
dustrial conference, created by the treaty
of Versailles for the improvement and
standardization of labor conditions
throughout the world.

In opening the conference at noon,
Secretary Wilson said he would design-
ate the assembly as the "conference
in the process of being organized" and
by this interpretation he believes he
avoids by his contention that only those
states which have ratified the treaty
can participate in the official confer-
ence.

INTERNATIONAL RAIL ASSOCIATION TO MEET

BRUSSELS, Oct. 23.—The Interna-
tional Railway association has resumed
operations after suspension during the
war, and it is announced that a com-
mission will soon be called together to
select the place and date of the next
general meeting. Thirty-five countries
are represented in the association.
These include the United States, Great
Britain, France and many European and
South American countries but not the
central powers.

ROB BANK DEPOSITORS OF \$35,000 IN BONDS

ROCK ISLAND, Ill., Oct. 23.—Blow-
ing the door off the safety deposit box
vault and breaking the individual de-
posit boxes open with a hammer and
other tools stolen from a nearby black-
smith shop, robbers sometime during
the early morning today made a haul
of \$35,000 in liberty bonds, belonging to
a hundred of the depositors of the State
bank of Sherrard, Ill., near here.

POLICE CHIEF AND HIS FORCE PUT UPON TRIAL

CHARLOTTE, N. C., Oct. 23.—Chief
of Police Walter B. Orr and virtually
the entire personnel of the Charlotte
police force were to appear before a
local magistrate today to answer
charges of murder preferred against
them by friends and relatives of five
men shot and killed Aug. 23 during a
riot growing out of a strike of street
railway employees. It was not expected
the hearing would be concluded before
late tomorrow.

TROTSKY WARNED.

LONDON, Oct. 23.—In the house of
commons yesterday Cecil Harcourt,
parliamentary secretary for foreign af-
fairs, stated in reply to a question that
the government had notified Leon
Trotsky, the Bolshevik minister, and
others in soviet Russia that they
would be held personally responsible for
the treatment of British prisoners and
other British citizens in Russia.

DOODSON SOUNDS CALOMEL'S DOOM

The "Liver Tone" Man Warns
Folks Against the Sick-
ening Salivating Drug.

"Ugh! Calomel makes you sick. It's
horrible! Take a dose of the dangerous
drug tonight and tomorrow you lose a
day.
Calomel is mercury. When it comes
into contact with food it causes in-
toxication. It breaks it up. Then it
feels that awful nausea and cramp-
ing. If you are sluggish, if liver is
torpid and bowels constipated or you
have headache, dizziness, coated
tongue, if breath has a bad odor, if
you have a general feeling of harm-
lessness, just try a spoonful of harmless
Doodson's Liver Tonic tonight.
Here is my guarantee: Go to any drug
store and get a bottle of Doodson's Liver
Tonic for a few cents. Take a spoonful
and if it doesn't straighten you right
up and make you feel fine and vigor-
ous, go back to the store and get your
money. Doodson's Liver Tonic is de-
stroying the sale of calomel because it
can not salivate or make you sick."

BUSINESS MEN PUT BIG WADS ON PAINE

Another fair indication of the super-
ior chances of the Rowlett Paine ticket
over the J. J. Williams ticket in the
current municipal trot is given by the
fact that business men are seeking bets from the
Williams constituents, and the diffi-
culty which they are having in find-
ing money to cover their offerings. More
than one firm is passing the word
around that it has \$1,000, \$2,000 or as
high as \$5,000 which it is willing and
anxious to place upon the success of
Rowlett Paine & Co. In most instances
substantial odds are being offered to
encourage the timid Williamsites.

It is not surprising that they are not
philanthropists and are not putting up
their money for the sake of bestowing
it upon aged and infirm persons.
Williams. Their purpose is to show
their confidence in their judgment and
add the sum of their own worldly
wealth after Nov. 6. They are men
who by backing their judgment in pre-
vious deals have become more than
well-to-do.

LURED BY HOPE OF LIQUOR, THEN ROBBED

Charged with highway robbery,
Charles Johnson, Adams avenue, and
John M. Bush, McKenzie, Tenn., were
arrested Tuesday afternoon at a Mar-
ket avenue rooming house, shortly af-
ter Charles Duncan, of Little Rock,
complained to the police that he was
lured there and robbed.

Duncan, the police say, claimed he
was lured into the building by Johnson
and Bush on a pretense that they had
a little liquor to sell. Once inside,
Duncan claims they hurried on him and
robbed him of a revolver and watch.

AERIAL COMMITTEE PUT ON HEAD OF CHAMBER

Growth of aeronautical affairs in
Memphis and throughout the country
has caused the establishment by W. H.
Fitzhugh, president of the Chamber of
Commerce, of an Aerial Affairs com-
mittee. G. G. Garrison has been made
chairman of the committee and in-
structed to pick his own personnel.
Thus far he has added to the commit-
tee W. P. McWorren, C. W. Thomson,
W. P. McWorren, J. D. Day and W. C.
Johnson.

TWO DRAW FINES FOR SPEEDING

It cost Mansfield Cooper, negro
chauffeur, \$10 in city court Tuesday,
for crashing into an automobile driven
by J. S. Edmondson, 1915 South Park-
way, about 10 days ago, severely injur-
ing Mr. Edmondson, his mother, and a
young woman friend. Mr. Edmondson's
car was almost demolished. Cooper was
arrested on a charge of reckless driv-
ing.

Simple Home Method Easily Erases Wrinkles

Thousands have reported great suc-
cess with the famous axolotl wrinkle-
removing formula. One ounce of pure
powdered axolotl is dissolved in a half
pint of water and the solution is
used as a face wash. The effect is al-
most magical. The deepest wrinkles
and crow's feet, as well as the finest
lines—whether due to age, illness,
weather or worry—are immediately af-
fected. No one need hesitate to try
this simple lotion, as it will not harm
any skin. Any druggist of course can
supply the ingredients.

When you have that tired, careworn
look and you want to freshen up after
the afternoon of traveling, bathing the face
with this axolotl lotion will produce a
wonderful transformation. You will find
this more refreshing than an hour's
rest.

AUSTRIAN GENERALS ARE HEARD IN SECRET

VIENNA, Oct. 23. (French Wireless
Service.)—General von Arz and Wal-
dstein, of the Austrian army, who have
been subjected to severe censure for
their conduct in the Italian campaign of
Nov. 1913, 20 hours before the armistice
with Italy became effective, were heard
yesterday at a secret session of a com-
mission appointed to investigate the al-
legations made against them.
It is claimed that the Italians con-
cluded their offensive and captured more
than 200,000 prisoners during the
period mentioned. All Austrian posts
have been ordered to stop firing.

Outlets For Wild Impulses Of Kodak Amateur Devotees

The amateur photographer can make
use of his knowledge in the navy, ac-
cording to an announcement from
Washington. If he enlists as an ap-
prentice seaman for aviation, he will be
sent to a training station to obtain the
necessary knowledge of general naval
work, and after a brief time will be
given instruction in photography. Upon
demonstrating his ability in this line he
will be promoted to the rating of printer
(aviation), which is the non-de-
kodak of naval photographers. If he is
thoroughly qualified, he may enlist as
apprentice printer, third, second or first
class, or chief printer, as the case may
be. This opportunity is only open, how-
ever, to men with a thorough knowledge
of photography.
